

BUFF® Trucker Cap

Brand: BUFF
Product Code: 02055

Price: \$28.00

Description

Classic trucker style, vibrant graphics and versatile BUFF® performance combine in a cap for on - and off - the water. Made from 100% polyester fabric and lined with a low-profile, moisture-wicking sweatband, this Trucker Cap dries fast, wicks away perspiration and is super-breathable – perfect for the summer heat. The curved visor protects the face and has a dark underbill that won't pick up water glare. Treated with a stain release finish, the bill won't let slime and water muck get in the way of your fun. Pair it with a BUFF® UVX Mask and UV Arm Sleeves for full-on protection from the direct sun and reflected rays.

- Breathable 100% polyester front panel is quick drying, wicks moisture, and protects against glare
- Polyester mesh back delivers ventilation and classic trucker style
- Low profile sweatband wicks moisture and keeps perspiration out of eyes
- Fully adjustable seven post snap closure for an optimal fit
- Five panel construction with fishing inspired front graphic
- Curved brim provides sun protection, has dark underbill to reduce reflected glare
- Bill is coated with a stain guard finish to protect against "fish slime"
